STATEMENT OF UNINTENTIONAL DELAY

The Applicant respectfully submits that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137 (b) was unintentional.

The Applicant has received a Dismissed Petition dated May 4, 2006. The Applicant is therefore now aware that for the current application, the national phase filing fee was underpaid. The Applicant wishes to revive this application and submits that, at the time of filing this application, the Applicant was unaware that the basic national fee for a large entity had increased to \$1,110.00 and that he had underpaid the total national phase filing fee amount by \$30.00.

The Applicant now submits the missing required fee and respectfully requests that the petition to reinstate this application be granted.

A check is attached to cover the petition and the missing filing fee (\$30) amounting to \$1,530.00.

A handwritten signature in black ink, appearing to read "Kia Silverbrook".
